

ZK Teco POS

No	Model	Photo	Specification
1	ZK 1550 with MSR		Fan Free System with Intel CPU, Stylish & Slim Design stable All-in-one POS System, Excellent Durability Compact Design with Small Footprint Saves Space , Various Interfaces for Expansion , Tool-Less Design Provides Easy Installation and Maintenance ,Intel® Core i5-4200U Processor(1.6 GHz) , 4 GB RAM DDR3L 1333MHz [extendable to 8 GB], 500 GB HDD , 8C digital LED customer display 20*2 , 15" TFTLCD, Projected Capacitive touch Screen , LED Backlight , 4*USB2.0 , 2*USB3.0 ,1*HDMI + 3*RS232 with DOS base , with MSR reader
2	ZK 1530 With MSR		Fan Free System with Intel CPU, Stylish & Slim Design stable All-in-one POS System, Excellent Durability Compact Design with Small Footprint Saves Space , Various Interfaces for Expansion , Tool-Less Design Provides Easy Installation and Maintenance ,Intel® Core i3-4010U Processor(1.7 GHz) , 4 GB RAM DDR3L 1333MHz [extendable to 8 GB], 500 GB HDD , C digital LED customer display 20*2 , 15" TFTLCD, Projected Capacitive touch Screen , LED Backlight , 4*USB2.0 , 2*USB3.0 ,1*HDMI + 3*RS232 with DOS base With MSR reader
3	15" Customer display compatible with 1550 & 1530		15" LED attached Customer Display

4	ZK 1515		<p>Fan Free System with Intel CPU, Stable All-in-one POS System Excellent Durability Compact Design with Space Saving Solution Various Interfaces for Expansion,Power-efficient Intel® Celeron® J1900 2.0 GHz Quad-Core processor , 2GB Standard, DDR3L 1333MHz(Max.8GB), 320 GB HDD , 8C digital LED customer display 20*2 ,15”TFT LCD, LED Backlight , Projected Capacitive touch Screen, 5*USB2.0,1*USB3.0 , with DOS base</p>
5	ZK P8001/USB		<p>Thermal receipt printer , Direct Thermal Line Printing with 300mm/sec printing speed , TPH 100 km , Compatible with ESC / POS, works with 3” thermal paper, paper width 80mm , Auto Cutter: Full or Partial Cut With USB interface</p>
6	ZK P8001/MI		<p>Thermal receipt printer , Direct Thermal Line Printing with 300mm/sec printing speed , TPH 100 km , Compatible with ESC / POS, works with 3” thermal paper, paper width 80mm , Auto Cutter: Full or Partial Cut With Multiple interface (USB+LAN)</p>
7	ZK B104		<p>Laser 1D barcode Scanner , Manual/Auto sensing , Decode speed 300 times/sec , 32 -bit wired red laser scanner , fireproof , waterproof , shockproof functions , Ultra-wide voltage range & High performance electromagnetic compatibility provides USB-HID interface , UART interface & KB interface , supports low-speed , high-speed & full speed , three data transmission modes , Decode error Rate 1/8 million , 1.8 M free fall to test anti-knock , >=25% print contrast</p>

8	ZK C03		<p>Metal Cash drawer Black color , 5 Bills, 8 Coins ,1 Check Slots , 3 position lock , cold-pressed steel plate shell</p>
9	USB MSR reader		<p>USB MSR Reader for loyalty cards</p>
